SOP/ ADVISORY

Subject : Adherence to timelines

Perusal of the physical Inspection reports received on WDRA portal, reveal that inspections are not being conducted timely. There is a wide gap in timeline between conduct of physical inspection and submission of reports, which in turn, increase the Turn Around Time of Registration of a Warehouse.

2. The Inspection agencies (IA) are therefore requested to advise their Inspecting Officers to complete physical inspection within **10 days** (inclusive of submission /uploading of Inspection Report on WDRA in all respect).
3. Further, IAs are hereby requested to allocate Inspecting Officer within **One day** of allocation of a warehouse for physical inspection by WDRA .

This issues with the approval of Competent Authority.
