**WDRA goes Digital to facilitate Farmers earn more from their produce**

- Online registration of Warehouses for fast processing of applications.
- Stringent quality standards for registration bring more trust and credibility.
- e-NWRs create greater transparency and seamless process for pledge financing.
- e-NWRs more credible as a financing tool, safe from any loss, damage or manipulation.
- e-NWRs give access to more buyers from across the country leading to better price discovery and higher returns to farmers/depositors.
