Circular

Sub:- New Insurance process for registration of Warehouse- reg.

The requirement of insurance for registration of Warehouses was mandatory at the initial stage of enrolment of Warehouseman. Warehousing Development and Regulatory Authority (WDRA) has been receiving requests for considering the insurance submission at later stage. Therefore, it has been decided that insurance can be submitted at any stage but before registration of warehouse.

Accordingly, the new process will be as follows:-

1. The insurance submission is optional during Warehouseman Registration process.
2. Applicant can submit the insurance along with warehouseman by selecting the option **Now or Later**. In case of option **Now**, applicant shall upload / submit the insurance document as required, and in case of selecting the option **Later**, the insurance can be submitted any stage before final registration of Warehouse.
3. After registration of warehouseman, applicant can apply for warehouse registration. But applicant has to submit the required insurance before final registration of warehouse by applying for warehouseman modification application as in the current process for updation of insurance in warehouseman application.
