

भांडागारण विकास और विनियामक प्राधिकरण
Warehousing Development & Regulatory Authority

F. No. 27-1/2010/WDRA/1979

Dated: 24.12.2019

PUBLIC NOTICE

It has come to the notice of Authority that a new commodity known as “Batari (बटरी)”, which is a variety of local pulses, is being cultivated in Narsinghpur area of Madhya Pradesh. The local farmers of the area are interested to deposit this commodity in Central Warehouse, Narsinghpur for the sake of obtaining electronic Negotiable Warehouse Receipts (eNWRs).

The Authority, over the period of time, has been receiving such type of requests from so many other organizations, besides, CWC/SWCs for the notification of such new Agricultural/Horticultural commodities cultivated in the area for obtaining eNWRs after depositing in WDRA registered warehouses.

Therefore, in view of above, it is notified to all the concerned stakeholders / general public to submit their suggestion for notification /inclusion of such new commodities, in the notified commodities list of WDRA. The suggestion about notification/inclusion of new commodities in the list of WDRA, may please be sent along with complete details including common/botanical name, its quality and uses, commercial value, the quantum of storage in the area and storability etc. of this commodity to be notified / included in the list of WDRA notified commodities.

All these requests may be sent to this office at the mentioned address by post / email to dirtech.wdra@nic.in/dirwdra.fpd@nic.in .

Please be guided accordingly.
