### ADVISORY FOR WAREHOUSEMEN

It has come to the notice of WDRA that in certain cases, multiple godowns of the same warehouse premises have been registered under different warehousemen through ownership or lease Document, and separate Registration Certificates have been issued.

- Warehousemen are advised to prominently display the WDRA Registration Certificate in a laminated or glass frame within their warehouse premises. This will facilitate Inspecting Officers deputed by WDRA in easily distinguishing already registered warehouses from new applications, thereby preventing duplicate registrations.
- Warehousemen are advised to mention/ update the complete and correct address of their warehouse, exactly as stated in the Ownership Document/ Lease Document while filing the WDRA application.
