ADVISORY FOR INSPECTING OFFICERS

On perusal of the inspections conducted by the Inspecting Officers and the reports submitted by ARs of Inspection Agencies, certain irregularities have been observed despite regular advisories/directions issued by this office. It must be ensured that the following instructions/guidelines are strictly adhered to during inspections:

- In case of Stock/Surprise and General Inspections, Inspecting Officers shall conduct test-check weighment and attach the same along with the inspection report.
- In case of Physical Inspections, it has been observed that Inspection Agencies are taking more than 10 working days to complete the inspection. **It has been decided that if an Inspection Agency fails to conduct the Physical Inspection within 10 days, the inspection shall be re-allotted to another Inspection Agency as per availability.**
