Bhandaran Darpan – A Quarterly News Bulletin

<https://wdra.gov.in>

FOREWORD BY CHAIRPERSON

It gives me immense pleasure to present the twelfth issue of the WDRA Bulletin, capturing the Authority's key developments and progress during the period April to September 2025.

This has been a period of active engagement, strategic expansion, and impactful outreach. WDRA has continued its mission of strengthening the warehousing ecosystem through increased registrations, robust awareness initiatives, and sustained policy support. I am pleased to note that 523 new warehouses were registered during this period, taking the total number of active registered warehouses to 10,727. Alongside this, the growing adoption of electronic Negotiable Warehouse Receipts (e-NWRs) is encouraging, with ₹2,222 crore extended as pledge finance in the first two quarters of FY 2025-26 – a strong reflection of trust in the system.

Our extensive outreach – including 174 Farmers Awareness Programmes, 07 Assaying, and 06 Warehouseman Training Programmes – has brought the benefits of scientific warehousing and e-NWR to farmers, warehouse operators, and stakeholders across the country. These initiatives contribute meaningfully toward eliminating distress sales, enabling fair value realization, and strengthening the post-harvest infrastructure in alignment with the vision of Atmanirbhar Bharat.

We also participated in significant national platforms such as the 2nd National Conference on Logistics and Warehousing for Viksit Bharat and World Food India 2025. Through these engagements, WDRA reiterated its commitment to transparency, digital transformation, and stakeholder-centric reform in the warehousing sector.

Internally, WDRA has fostered a vibrant and responsible institutional culture – celebrating environmental awareness, yoga and wellness, cleanliness drives, and the promotion of Rajbhasha Hindi in official communication. These collective efforts underscore our belief that operational excellence must go hand-in-hand with social responsibility.

I extend my heartfelt appreciation to all members of the WDRA team, our partner institutions, repository agencies, training organizations, and stakeholders nationwide. Their dedication enables us to advance with confidence toward a more secure, efficient, and technology-driven warehousing ecosystem.

We remain firmly committed to empowering farmers, promoting access to affordable credit, enabling trusted trade, and building a future-ready warehousing network for India.

(Anita Praveen)
Chairperson, WDRA

debt-financed? In the opinion of American banks, insured savings banks, and other lenders, the answer is "no." In fact, these companies do not normally use the proceeds to buy the infrastructure, as that is usually a public sector. Many states have laws that prohibit this. "The companies are not going to be able to raise the money to build the infrastructure," says a senior official at Citicorp.

Under the authority of a governing agency, a regional transit system, the public utility, or the state or federal government, the companies will be responsible for the financial part of the investment. But because they are not responsible for the actual construction, they will not be able to raise the money to build the infrastructure. "The companies are not going to be able to raise the money to build the infrastructure," says a senior official at Citicorp.

“मैं पर्यावरण हूँ – एक इंसान सा जीवित सत्य”

(प्रिया मल्होत्रा, निजी सहायक, भांडागारण विकास और विनियामक प्राधिकरण (WDRA))

मैं हूँ पर्यावरण – नदियों की मुस्कान,
हरियाली के आँवल में, छुपा एक जहान।
पर आज मैं बोल रहा हूँ, इंसानी जुबां में,
क्योंकि मेरी साँसें अब घुटने लगी हैं तेरे ही
मकां में ।

कभी माँ की तरह पालता था तुझको,
छाया देता था जब तपता सूरज जलता था
धूप को।
तेरे खेलों का मैदान था मैं,
तेरे गीतों की तान था मैं ।

पर तूने मुझे ही चोट दी, हर रोज, हर बारी,
काट दिए जंगल, पिघला दी बर्फ की क्यारी।
नदियाँ जो मेरी नसें थीं, तूने जहर से भर दीं,
हवा जो मेरी साँस थी, तूने धुँए से जला दी ।

फिर भी मैं रोया नहीं, सिर्फ सहा,
क्योंकि प्यार में तो इंसान भी सहता है कहा।
पर अब मेरी आँखों में आँसू नहीं, चेतावनी है,
अगर तू नहीं बदला, तो विनाश की कहानी है ।

मैं चाहता हूँ फिर से बहार लौटे,
बच्चे फिर से पेड़ों की छांव में सोएं।
तितलियाँ फिर बागों में रंग भरें,
और समुद्र की लहरें मधुर गुनगुनाएं ।

आओ, चलो फिर से दोस्त बनें,
तेरे घर की दीवारें हरी साँसों से सजें।
मैं तुझे फिर जीवन दूँगा,
बस तू मुझे अपनाने का वचन दे – सच्चा,
न रोका, न झूठा ।

मैं पर्यावरण हूँ कृ इंसान नहीं, पर तुझमें
ही जिंदा हूँ,
अगर तू जाग गया, तो मैं फिर अमर हूँ।
